CTPECC Editorial Statement

The Pacific Economic Cooperation Council (PECC) is a unique tripartite partnership of senior figures from business, government and academia who participate in a private capacity to freely discuss current practical and policy issues affecting the Asia-Pacific region.

Established in 1980, PECC currently comprises 26 members from across the region, each with their own committee. Of these members, one is an associate, while two are institutional members representing the Pacific Trade and Development Conference (PAFTAD) and the Pacific Basin Economic Council (PBEC).

As the sole official non-governmental observer of APEC since the latter organization's founding in 1989, PECC has provided information and analytical support to APEC, and has also channelled and facilitated the private sector's participation in APEC projects and processes.

The Chinese Taipei Pacific Economic Cooperation Committee (CTPECC) was formed in 1984 to participate in PECC events as an observer, and in November 1986, its application for full membership was approved at the 5th PECC General Meeting. CTPECC has been a full and active member of PECC ever since.

The Chairman of CTPECC is Dr Chien-Yi Chang, and the Secretariat of CTPECC is located at the Taiwan Institute of Economic Research (TIER) Department of International Affairs. The Secretary General of CTPECC is Dr Charles Chou. *Asia Pacific Perspectives* is a key publication of CTPECC and an open forum welcoming submissions of analyses, perspectives, and commentaries on the Asia-Pacific region. The newsletter focuses on political, economic and social issues. Articles in the journal solely represent the authors' but not the CTPECC's viewpoints.
